

Chocolate in good shape

Delivered fast to each and every customer

Cargill Cocoa & Chocolate

As the consumers' preferred flavour, chocolate brings exciting added value to your product, whether it is a confectionery or baked product, biscuit or ice cream. Your next priority then is to have easy access to a consistently tasty, high quality chocolate from a large and reliable player in the market, one who understands your needs.

Building from its strong cocoa and chocolate expertise, Cargill Cocoa & Chocolate now introduces a selection of its chocolate bestsellers: chocolate 'off-the-shelf'. These are some of our most trusted products, in a large variety of shapes, delivered without delay. This chocolate is available in recognizable Cargill packaging, with deliveries starting at one pallet per product.
